ORAL ORDER
(Passed on 3.4.2006)

The following oral order of the Court was passed by **Dilip Raosaheb Deshmukh, J.**

In this appeal, the only contention raised by the learned counsel for the appellant is that the learned M.A.C.T. has failed to consider the actual amount of expenses incurred in medical treatment and also the permanent disability of 15% in the left hand sustained by the appellant. However, upon a perusal of the record, we find that no prescriptions and bills were proved by the appellant. The evidence of the treating Doctor was also not adduced before the learned M.A.C.T.

In that view of the matter, in our considered opinion, the compensation of Rs.85,000/- awarded by the learned M.A.C.T., , does not call for any interference.

2. This appeal being devoid of merit is dismissed accordingly.
